

Regional Cooperation in the Asia-Pacific Region

3b. Promoting regional cultural diversity and tourism

(Draft resolution sponsored by Australia)

The 28th Annual Meeting of the Asia Pacific Parliamentary Forum:

Recognising sustainable tourism is a key driver for economic, social and regional development, creating jobs and promoting investment, supporting communities including through the regional dispersal of tourism, and fostering greater understanding between peoples;

Recalling the Declaration on Advancing Tourism's Contribution to the Sustainable Development Goals made by G20 Tourism Ministers, in Hokkaido, Japan, on 26 October 2019;

Noting the Statement on Harnessing Sustainable and Inclusive Tourism in the Asia Pacific made by APEC Tourism Ministers, in Port Moresby, Papua New Guinea, on 1 June 2018;

Welcoming the contribution regional cultural diversity and tourism cooperation can make to economic growth, maintenance of peace, and promotion of understanding between nations in the region; and

Underscoring the region's strong cultural diversity and multicultural attributes.

RESOLVE TO:

1. **Encourage** sustainable tourism to promote economic growth in the region;
2. **Promote** cultural diversity and tourism exchange across the region to increase people-to-people interaction and promote economic development; and
3. **Enhance** regional air and sea connectivity through direct flights and shipping services, including cruise shipping, by encouraging investment in infrastructure.
